Addiction to Spirituality Lian had been meditating for several years ahead of consulting with me for his depression. He had been part of a spiritualWith the profoundly sad and untimely death of several high profile celebrities recently flooding the media, addiction has been on the minds of many. I live and work in the world of the social sciences, and my focus is on understanding human behavior. Anyone who knows anything about addiction of any kind (drugs, alcohol, food, sex , shopping ...Every addiction needs conditioning. It doesn't just happen. Our minds need to be attracted to the act, its concept and its ultimate goal. Similarly when people become addicted to spirituality, they become so, only once they have truly accepted its way of life and made it an integral part of their own existence., Addiction To Spirituality....
