

Download European Standardisation Of Services And Its Impact On Private Law

By Sara Benedi Lahuerta and Ania Zbyszewska. The adoption of the European Pillar of Social Rights ('the Pillar') in 2017 and the 20-year anniversary of the entry into force of the Treaty of Amsterdam in 2019 provide an auspicious moment for not only take stock of accomplishments in the field of EU equality law and critically reflect on the ...Welcome to the e-CF. The European e-Competence Framework (e-CF) provides a reference of 40 competences as applied at the Information and Communication Technology (ICT) workplace, using a common language for competences, skills, knowledge and proficiency levels that can be understood across Europe. The Single Market Strategy is the European Commission's plan to unlock the full potential of the Single Market. The Single Market is at the heart of the European project, enabling people, services, goods and capital to move more freely, offering opportunities for European businesses and greater choice and lower prices for consumers.(7) The European Parliament, in its resolution of 21 September 2010 on completing the internal market for e-commerce (4), stressed the importance of the security of electronic services, especially of electronic signatures, and of the need to create a public key infrastructure at pan-European level, and called on the Commission to set up a ..., European Standardisation Of Services And Its Impact On Private Law.
