Perceptions is Kristy Brown's second hugely enjoyable follow up to Kiera's Quest and her continuing battles with the evil Witch Queen. Following on from where Sacrifices ended, Kiera finds herself stranded a long way from home with seemingly no way back, a task which is made much harder as Zakk does his best to protect her. Story: The Witch Queen has reached a new level of evil. Kiera is helplessly stuck in Zakk's realm. With the vortex destroyed, she is desperate to find a way home. Her Uncle Tom, her friends and now the boy she loves, are in danger. Will Kiera find the strength and the self-belief she needs to...Kiera's stuck on the wrong side of the vortex. It's a race against time to get home and save Earth. Book Reviews, Author Interviews, Giveaways, Fabulous Covers and Other Book Related Thoughts!, Kieras Quest Perceptions.
