In 2004, an Alaskan wildlife photographer and his dog Dakotah happened upon a wolf outside their home. What happened next would change their lives forever. This post is dedicated specifically to a wolf, Romeo, the lone black wolf of Juneau, Alaska. There is a reason to speak about one wolf rather than a wolf population or at least a pack: Romeo was a famous wolf: approachable and, at the same time, a wild and free wolf. A Wolf Called Romeo by Nick Jans. One day in Juneau, Alaska, a black wolf appeared out in the open of a snowy field while Nick Jans (photographer and author) was outside his back porch with his pet Labrador.
