Theology: Theology, philosophically oriented discipline of religious speculation and apologetics that is traditionally restricted, because of its origins and format, to Christianity but that may also encompass, because of its themes, other religions, including especially Islam and Judaism. The themes of History of logic - Medieval logic: As the Greco-Roman world disintegrated and gave way to the Middle Ages, knowledge of Greek declined in the West. Nevertheless, several authors served as transmitters of Greek learning to the Latin world. Among the earliest of them, Cicero (106–43 bce) introduced Latin translations for technical Greek terms. 33000+ free ebooks online ...
