

Download Acupuncture And Moxibustion For Primary Trigeminal Neuralgia

Description. This book details both traditional and modern theories on the treatment of trigeminal neuralgia with Chinese acupuncture and moxibustion as well as examine the TCM clinical principles, characteristic therapeutic effects and factors that influence clinical outcomes. Primary trigeminal neuralgia (PTN) is one common kind of neuralgia, which could be characterized by recurring attacks of paroxysmal, shock-like pain within the distribution of one or more branches of the trigeminal nerve [1,2]. Acupuncture and Herbs for Trigeminal Neuralgia We see a lot of cases of trigeminal neuralgia at our Acupuncture Clinic in Delaware . It usually causes sudden episodes of severe intense pain on one side of the face that can last for a few seconds up to several minutes. Acupuncture provides important therapeutic clinical benefits for trigeminal neuralgia patients and shortens the duration of hospitalization. A recent investigation finds acupuncture effective in eliminating trigeminal neuralgia symptoms with both a high cure rate and total effective rate., Acupuncture And Moxibustion For Primary Trigeminal Neuralgia.
