"Assurance of God's gracious, saving, Fatherly love to us in Christ is the hallmark of the Protestant Reformation's understanding of the Bible's teaching on salvation. Assured by God: Living in the Fullness of God's Grace is doctrinally rich and pastorally sensitive. With contributions from ten different authors, this book examines the biblical teaching of assurance in relation to other significant biblical doctrines. Written for Christian laypeople, each author writes with a concern to help Christians understand how God's Word anchors their assurance not in a sense of self-confidence, but in the unshakeable truth of the gospel. "I would like every believer to read Assured by God, a helpful collection of essays on the assurance of salvation. It is edited by Burk Parsons, editor of Tabletalk magazine." —R.C. Sproul Nothing stimulates Christian service more than humble assurance of God's saving grace. Many of us are immobilized by lingering doubts about our salvation or, worse, by a false security., Assured By God Living In The Fullness Of God S.
