

Download Astralis

Astralis is a leading esports organization, with one of the world's best CounterStrike: Global Offensive teams. The organization is the first ever to be co-owned by the players in the esports industry. Astralis is a Danish organization owned by players of the former Danish Team SoloMid/Questionmark lineup, with the help of their manager, Frederik "realition" Byskov. Astralis is a Danish organization owned by players of the former Danish Team SoloMid/Questionmark lineup, with the help of their manager, Frederik "realition" Byskov.
