I've read several of the books in the Philosophy and Pop Culture Series and I have to say this is the best one so far. It may be because I'm a major Battlestar Galactica fan but I'd like to think this is the best one because of the subject matter of the show. "The contributors to Battlestar Galactica and Philosophy strive to make things relevant to fans of the show, and they put their information out in a way that is accessible to folks who wouldn't know Heidegger from Heineken." **BATTLESTAR GALACTICA AND PHILOSOPHY** The Blackwell Philosophy and PopCulture Series Series editor William Irwin A spoonful of sugar helps the medicine go down, and a healthy helping of popular culture clears the cobwebs from Kant.
