

Download Boys Toys Fifties Sixties Memorable

This is a listing of the great toys I had as a kid, back in the Sixties. (By the time the Seventies arrived I was fourteen, and my toys were tarot cards and books, mainly.)The 50s and the 60s had its share of teen idols and teen queens. I have selected what I feel were not only the most influential during these decades but the most memorable. The 60s, as any baby boomer who grew up in that decade, will tell you, was a happening. Our generation had its own music, fashion, war, cars, made specially for cruisin' and TV. Trawling through old spotting reminiscences can revive so many wonderful memories, but there is a danger of blurring reality with fiction - rose-tinted spectacles, and all that!, Boys Toys Fifties Sixties Memorable.
