Acrylic paint is a fast-drying paint made of pigment suspended in acrylic polymer emulsion. Acrylic paints are water-soluble, but become water-resistant when dry. Hi I've just decided to go do a run of door painting. Last time I did this about 15 years ago in another house the doors were removed and done in the back yard. How to Create an Abstract Painting. How many times have you looked at an abstract painting and heard someone say, "I could do that!"? While abstract painting looks easy to some, it can actually be more challenging than traditional or... Hello Will, I am trying to decide between SLOW-DRYING ACRYLICS (open acrylics) and WATER-SOLUBLE OILS. I have used both regular acrylics and regular oils but I have problems with both – I don't like the smells in the oils and I have problems blending faces with the acrylics., Brush Acrylics Painting Practical Search.
