

Download City Maps Benghazi Libya

About Benghazi Satellite view is showing Benghazi, the second largest city and a major seaport in Libya. It is located in northeastern Libya at the coast of the Gulf of Sidra (Mediterranean Sea). Location of Benghazi on a map. Benghazi is a city found in Benghazi, Libya. It is located 32.11 latitude and 20.07 longitude and it is situated at elevation 3 meters above sea level. Benghazi has a population of 650,629 making it the biggest city in Benghazi. It operates on the CEST time zone. Benghazi / b ? ? ? ? ? z i / is the second-most populous city in Libya and the largest in Cyrenaica. A port on the Mediterranean Sea in the State of Libya, Benghazi had joint-capital status alongside Tripoli, possibly because the King and the Senussi royal family were associated with Cyrenaica rather than Tripolitania.
