

# Download Constitution Of The United States Of America Analysis And Interpretation

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. The First Amendment (Amendment I) to the United States Constitution prevents the government from making laws which respect an establishment of religion, prohibit the free exercise of religion, or abridge the freedom of speech, the freedom of the press, the right to peaceably assemble, or the right to petition the government for redress of ...In fact, the inquiry which follows is based upon the political science of James Madison, the father of the Constitution and later President of the Union he had done so much to create. The executive Power shall be vested in a President of the United States of America. He shall hold his Office during the Term of four Years, and, together with the Vice President, chosen for the same Term, be elected, as follows:, Constitution Of The United States Of America Analysis And Interpretation.
