View one new peer-reviewed research article from any ACS journal, selected daily, and made open access based on recommendations by ACS journal scientific editors from around the world. Attenborough climate show a 'call to arms' The BBC's Climate Change - The Facts, presented by Sir David Attenborough, is praised by TV critics. At school we were shown that heating a bar magnet caused it to lose its magnetism. How then, if the iron core of Earth is at a temperature high enough to liquefy it, does it generate a vast ...
