Gender Trouble: Feminism and the Subversion of Identity (1990; second edition 1999) is a book by the philosopher Judith Butler, in which the author argues that gender is a kind of improvised performance. SDG 8 calls for promoting 'sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all'. Even as it highlights the importance of labour rights for all, it also makes visible some significant tensions. Recognised around the world, research at the ANU College of Law has long been known for scholarly excellence and positive impact. Since being established, the College has attracted academics, researchers and practitioners from across Australia and abroad. Throughout history, women in Jordan's political, social and economic status has varied based on the legal, traditional, cultural and religious values at the time., Gendered Politics And Law In Jordan.
