

Download God S Jury The Inquisition And The Making Of The Modern World

The Tribunal of the Holy Office of the Inquisition (Spanish: Tribunal del Santo Oficio de la Inquisición), commonly known as the Spanish Inquisition (Inquisición española), was established in 1478 by Catholic Monarchs Ferdinand II of Aragon and Isabella I of Castile. The Inquisition started in 12th-century France to combat religious dissent, in particular the Cathars and the Waldensians. It was a type of government institution within the Catholic Church whose main goal was to eliminate heresy. The Catholic Church is often the victim of the same kinds of urban legends that surround the Titanic or Aspartame. Whether it is the Crusades, the Spanish Inquisition, chained church Bibles, or Galileo, people are being led to believe falsehood and making bad decisions based on those falsehoods. Welcome to Deism! Deism has a lot to offer you! It also has a lot to offer society! Deism is knowledge* of God based on the application of our reason on the designs/laws found throughout Nature., God S Jury The Inquisition And The Making Of The Modern World.
