

Download Housing Reclaimed Sustainable Homes Nothing

Housing is a fundamental human right. For most of human history, our homes were built by hand from whatever local materials were available. However, since the Industrial Revolution, most housing has become little more than quickly constructed, mass-produced, uniform boxes. At the same time, the Housing is a fundamental human right. For most of human history, our homes were built by hand from whatever local materials were available. However, since the Industrial Revolution, most housing has become little more than quickly constructed, mass-produced, uniform boxes. Jessica Kellner, editor of Natural Home and Garden magazine and author of Housing Reclaimed, is pictured in her home made of items destined for the dump.
