The trickier application form questions can be daunting at first, but with some practice you can learn how to ensure that your answers impress recruiters. Some sections of a job application form will only need straightforward factual answers, such as your personal details or education history. Others, you're applying for a job and there's a question and answer section? This is a common way of sorting people out, and has proved to be a tricky obstacle to manoeuvre if you're not aware of the pitfalls it can offer. Even more than a resume or job application, the interview can show an employer if you're the right candidate for the position. Regardless of whether you apply online or in person, you will eventually have to interview before becoming hired. Best Answer: Hiya - I think it needs to be something that also demonstrated some problem solving skills. So maybe an email message that was misinterpreted (that could be funny or you could make something up) and how you resolved that., Job Application Question Answers.
