

Download Little Prayer James Palatine Novel Ebook

A vivid fictional account of a mother's trauma when her daughter is kidnapped during the Kosovo conflict. The main character military man James Palatine becomes entwined in this tale when he rescues the girl one night and later unsuspectingly delivers her into the hands of pimps and pedophiles. The first James Palatine thriller Little Sister was very good, but this is a whole step up - absolutely superb. The horrors of the Balkan disintegration are the backdrop to a consistently tense, heart-rending story rich in incident and character.
