The popularity of outdoor recreation and ecotourism continues to grow worldwide. However, there is little systematic information on how to manage outdoor recreation in ways that protect park ... This fully updated second edition presents a conceptual framework of outdoor recreation management in the form of a series of management matrices. It then illustrates this framework through new and updated case studies in the US national parks, and concludes with the principles of outdoor recreation management. Written by an author team with ..., Managing Outdoor Recreation Studies National.
