

Download Palomo V. State Bar Of California

The Review Department of the State Bar Court recommends that Raul Palomo be suspended from the practice of law for one year, with the suspension stayed on conditions of probation. [36 Cal.3d 790] [36 Cal.3d 790]The Review Department of the State Bar Court recommends that Raul Palomo be suspended from the practice of law for one year, with the suspension stayed on conditions of probation. Petitioner was admitted to practice law in 1974.RAUL PALOMO, Petitioner, v. THE STATE BAR OF CALIFORNIA, Respondent. The Review Department of the State Bar Court recommends that Raul Palomo be suspended from the practice of law for one year, with the suspension stayed on conditions of probation. Petitioner was admitted to practice law in 1974. HeIn this proceeding, we review the recommendation of the State Bar of California that petitioner William Waysman be suspended from the practice of law for six months, that execution of suspension be stayed, and that petitioner be placed on probation for one year on conditions which include no actual suspension but require, among other things, that he make restitution and abstain from alcohol ..., Palomo V. State Bar Of California.
