

# Download Savage Claudio Macor

Inspired by an article in The Guardian by Peter Tatchell, Savage explores the atrocities committed by Nazi sympathiser Dr Carl Peter Vaernet who believed he had found a 'cure' for homosexuality that included injecting monkey testosterone into the testicles of gay men. When I was invited to watch SAVAGE a new play by Claudio Macor, I must say the subject matter wasn't one that excited me at first glance: "a tale of love amidst the brutal true story of a Nazi War Criminal". Savage, London, United Kingdom. 168 likes. World premiere of a new play by Claudio Macor uncovering the true story of a forgotten Nazi doctor who... Savage. Claudio Macor LWL Entertainment Ltd Above the Arts 29 June to 23 July 2016. Share: Carl Peter Vaernet was a Danish doctor who claimed to have developed a "cure" for homosexuality and who experimented on prisoners in Buchenwald., Savage Claudio Macor.
