A barn is an agricultural building usually on farms and used for various purposes. In the North American area, a barn refers to structures that house livestock, including cattle and horses, as well as equipment and fodder, and often grain. As a result, the term barn is often qualified e.g. tobacco barn, dairy barn, sheep barn, potato barn. The singer was 'positive and proud' in the Galvin Green Man in Chelmsford on Saturday lunchtime, just hours before his apparent suicide. Flint, 49, had just run a 5k and 'seemed really happy'.
