

Download Small Batch Preserves Chutneys Relishes

Stirring up the preserve industry, Fruity Kitchen's mother and daughter team create their jams and relishes just outside the beautiful city of York. Whether you need to can, process, or freeze vegetables, fruit, or meat we carry the equipment and home canning supplies you need. Our Folláin Family. Having started with a team of three, we now have a team of 17 working on our delicious preserves, both savoury and sweet. Mairin and Peadar's children spent many of their summer holidays surrounded by indulgently sticky jams and delightfully chunky chutneys learning the family business. The Epicentre is about herbs and spices, the spice trade, cooking with spices, recipes and health benefits of spice. We have an online shop for hard-to-find and best-quality spices and blends., Small Batch Preserves Chutneys Relishes.
