

Download The History Of Herodotus — Volume 1

Free kindle book and epub digitized and proofread by Project Gutenberg. Herodotus (c. 484 BC – c. 425 BC) was an ancient Greek historian who was born in Halicarnassus in the Persian Empire (modern-day Bodrum, Turkey). Herodotus wrote about the wars between Persia and Greece. Thucydides wrote about the civil war between Athens and Sparta. Together these ancient Greek writers became the first true historians in Western civilization. Almost all the primary sources for the Greco-Persian Wars are Greek; there are no surviving historical accounts from the Persian side. By some distance, the main source for the Greco-Persian Wars is the Greek historian Herodotus., The History Of Herodotus — Volume 1.
