This School Is Driving Me Nuts Search for: This hilarious collection of nine short plays for kids, written by popular author Duncan Ball, ranges from a comic monologue to a play that can involve a whole class, and everything in between. Everyone at my school will cuss and yell and it dosnt help that I'm bipolar. For instance I was walkin down the hall and this guy bumps into me I was about to say ...I have been divorced for about 8 years now and am a very active father. I have my kids every weekend from Friday night through Monday morning whichis about as close to half as we can be (I actually have the better deal in my opinion). Our two children (12&13) are in a really good charter school, but it ends at 8th grade (6th and 8th grader).
