

# **Download Unstoppable Women - Does Education Matter**

Go to school, focus on your studies, do all your school tasks, get a degree, get a good job and take care of business. This age-old wisdom has rung throughout the years, but how much merit does it ...We are empowering lives through education. Our holist 5-Pillar model incorporates everything crucial to lifting communities out of poverty and removing obstacles to educating children by providing access to education, clean water, healthcare, nutritious food and income training for parents. The habit of making statements sound like questions is a genuine linguistic mystery. The hi-tech maverick who recently won \$360,000 for her early detection breast cancer device is also a convert to Judaism. This is her amazing story. Standing before a crowd of 5,000 at the We Work Creator Awards this summer in Jerusalem, Yehudit Abrams had reason to be nervous. This moment, Unstoppable Women - Does Education Matter.
