Purpose. The Research Grants for Graduate Students under the TOEFL® Young Students Series (YSS) are designed to support foundational research that promotes high-quality language assessment related to young English learners between the ages of 8 and 15. How a Faculty Scholarship Community Can Contribute to Your Productivity and Personal Well-Being. Faculty Learning Communities (FLC) have been defined as small, trans-disciplinary groups of faculty and staff who elect to focus on enhancing each other's teaching and learning capacities (Cox, 2003). This full-time Creative Writing course will help you to bring a novel, book of poems, book of short stories or work of non-fiction as near to publishable quality as possible. The Honors and Undergraduate Research Program at Fayetteville State University promotes inclusive excellence, recognizing and rewarding outstanding academic and scholarly achievement throughout the curriculum., Writing Education Research Publishable Scholarship.
